Greetings!

We the advertising committee are writing you on behalf of the San Miguel/ Mora County Fair Association (SMMCFA). The SMMCFA consists of volunteers that work throughout the year to produce a quality fair for our youth. We are offering an opportunity for your organization to have a '5X3' banner displayed at the local fair this year. The cost to have a 5X3 vinyl sign made is \$65, and an additional \$50 to advertise the sign for the fair. If you already have a vinyl sign that can be displayed, then the cost would only be \$50 for the advertisement. Our fair runs from August 9-12, 2023.

Proceeds from the vinyl sign advertisement will help SMMCFA with expenses for putting on the annual county fair. We appreciate your support of the San Miguel/ Mora County Fair and look forward to advertising your business. If you have any questions, or would like to advertise, please contact Adrienne Delgado, Committee for advertising Signs at (505) 652-0310.

Sincerely,

Adrienne Delgado, Chair
